WELCOME

On behalf of the Football Association of Ireland I would like to take this opportunity to welcome you all to the FAI Centenary U17 Cup Final 2021/2022 here at Home Farm's ground in Whitehall.

This is a tremendous opportunity for the young footballers of Corduff FC, from the Dublin & District Schoolboys/Girls' League, and College Corinthians, from the Cork Youth League, to appear in a national final. Congratulations to all involved with both clubs on their achievement in reaching this stage.

These young players are amongst the most talented in the country at their age, and hopefully many of them will go on to play the game at a very high level and have excellent careers in football. Their presence here today confirms that both clubs have enjoyed a really good season and it is a testament to the standard of football from all the players involved that they have both reached the final of this competition. Well done to both coaching teams on developing two very talented squads.

Many thanks to our hosts at Home Farm today, and to all the volunteers and the match officials this afternoon.

Best wishes to the competing teams today and a big thank you to the families and supporters for their ongoing commitment. I trust you will all enjoy the experience. Here's hoping for a great game in this, the centenary season of the FAI.

Beir bua agus beannacht le gach duine!

Gerry McAnaney
President
Football Association of Ireland
